The Honorable Greg Treat

Dear Governor Fallin, President Pro Tempore Treat and Speaker McCall:

On behalf of the Oklahoma Commission on Consumer Credit and the staff, we are pleased to submit the 2018 Annual Report for the Oklahoma Department of Consumer Credit and the Oklahoma Commission on Consumer Credit. This report contains information regarding the activities of the Department, the Commission, and the industries licensed and regulated by the Department.

Thanks to the leadership and foresight of our Governor and Legislature, our Department continues its mission as a non-appropriated agency because our industries recognize they should pay for their enforcement themselves instead of relying on state dollars.

We are proud of our accomplishments and look forward to working with the industries we regulate and most importantly, the Oklahoma consumers. Although we have achieved a great deal, we remain steadfast on our path of improving our efficiency and effectiveness.

Sincerely,

Scott Leshner, Administrator
Oklahoma Department of Consumer Credit

During the year, the Department has made significant improvements that will benefit Oklahoma consumers and licensees.

A partial listing of accomplishments this year includes:

- The Department has processed over 202 formal consumer complaints.
- The Department continues to upgrade our website to effectively serve and educate consumers and licensees.
- The Department continues to improve in developing model examinations in all areas of enforcement to operate more efficiently.
- The Department continues to monitor and make improvements to our database and data entry programs compatible with the Nationwide Mortgage Licensing System (NMLS); which is a system of records for our 9,242 mortgage licensees.
- The Department continues to adhere to the practices outlined in the Energy Efficiency and Conservation Plan created in FY10 in response to Senate Bill 833.
- The Department has refined procedures to systematize the examination process, making it more efficient for examiners.
- The Department has revised written licensing procedures to streamline the licensing process for businesses and professionals.
- The Department maintains our mortgage supervision accreditation from the Conference of State Bank Supervisors (CSBS) and the American Association of Residential Mortgage

Regulators (AARMR).

- The Department continues to develop its Investigation unit, which focuses its efforts on identifying unlicensed activity, to ensure that Oklahoma consumers are receiving all protections afforded to them by law.
- The Department was actively involved in Multi-State Mortgage examination activity through CSBS and AARMR.
- The Department has finalized its refund process after it secured \$1,000,000.00 on behalf of affected Oklahoma consumers, providing refunds to 1,187 consumers.
- The Department had three (3) Consumer Credit Examiners obtain their first mortgage certification through CSBS, as Certified Mortgage Examiners (CMEs). The Department also had one (1) Consumer Credit Examiner elevate his certification to a Certified Senior Mortgage Examiner (CSME).
- For the first time since 2015, the Department was able to re-implement its practice of offering a rebate to its regulated industries in the form of a twenty-one percent (21%) discount to license renewal fees, projecting an approximate savings of (six hundred thousand dollars) \$600,000.00 to licensees.

EXAMINATION AND INVESTIGATION POLICIES AND PROCEDURES

Examinations

The Department's Chief Consumer Credit Examiner is responsible for scheduling examinations. Once an examination is completed, an examiner prepares an examination report that is reviewed by the Chief Consumer Credit Examiner. After the exam report is reviewed, it is sent to the address of record of the licensee. The licensee has twenty (20) days to either correct the examination errors or demonstrate the alleged errors did not occur. If a licensee does not correct the examination errors or demonstrate that the errors did not occur within the required period of time, the examination report is referred to the Department's General Counsel for consideration of enforcement proceeding.

Complaints

Persons submitting complaints are required to submit a written explanation of their complaint along with any appropriate supporting documentation. Complaints are assigned by the Director of Licensing to Consumer Credit Examiners for resolution. Consumer Credit Examiners review the complaint and supporting documentation to determine if the Department has jurisdiction concerning the complaint or to determine if there is a basis for the complaint.

If there is a basis for the complaint, a copy of the complaint is sent to the licensee for a response within twenty (20) days. If the matter is not resolved within the required period of time or if the licensee does not respond to the complaint, the complaint may be referred to the Department's General Counsel for consideration of an enforcement action.

THE USE OF CONSUMER CREDIT IN THE STATE OF OKLAHOMA

There were no significant changes in the use of consumer credit in the State of Oklahoma during the previous fiscal year. Consumer loans and consumer credit sales continue to be readily available to Oklahoma consumers.

CONSUMER CREDIT PROBLEMS OF CREDITORS AND DEBTORS

Most creditors licensed by the Department follow the requirements of the Uniform Consumer Credit Code or the other statutes the Department enforces. If a compliance issue arises, most creditors licensed by the Department take appropriate steps to correct the issue after notification by the Department.

An area of concern is the borrowing of money from unlicensed Internet creditors. Many unlicensed creditors typically do not follow Oklahoma law regarding payday loans which happen to be one of the most stringent of all the states. For example, in Oklahoma you may not have more than two payday loans open at one time. All licensees must utilize a database that is approved by the Administrator. Finally, a consumer that has entered into five consecutive payday loans must wait 48 hours before entering into a new payday loan transaction. Numerous unlicensed creditors operating *via* the Internet also claim affiliation with various Native American tribes and invoke the legal doctrine of sovereign immunity to evade state licensing and regulatory requirements.

COMPLIANCE WITH THE TRUTH IN LENDING ACT AND REGULATION Z

Oklahoma is one of five (5) states that are exempt from federal enforcement of the disclosure provisions of the Federal Truth in Lending Act. In order to maintain the enforcement exemption, the Oklahoma Legislature passed House Bill 3346 during the 2014 legislative session, which became effective July 1, 2014. House Bill 3346 amends the Uniform Consumer Credit Code to authorize the Administrator to enforce the disclosure provisions of the Federal Consumer Credit Protection Act. The amendments made by House Bill 3346 to the Uniform Consumer Credit Code require creditors to provide the consumer credit disclosures required by the Federal Consumer Credit Protection Act.

**ENFORCEMENT REPORT OF THE DEPARTMENT OF CONSUMER CREDIT –
JULY 1, 2017 – June 30, 2018**

The Department reports the following during fiscal year 2018 (FY18):

<i>Enforcement FY17</i>	Filed	Action	Total Amount
<i>Cease and Desist Orders</i>	3	Cease and Desist	None
<i>Administrative Orders</i>	153	Civil Penalty	\$436,196
<i>License Apps. Denied</i>	None	None	None

LEGISLATIVE RECOMMENDATIONS

The Department is currently researching the necessity for recommending adjustments to 14A O.S. §§ 6-201 – 6-203, and 59 O.S. §§ 1508 and 1953, however no plans to introduce legislation in this regard have been finalized.
