Application Revised: July 5, 2019

Return application to:

Rowan College of South Jersey

Cumberland Campus, Admissions Office

PO Box 1500, Vineland, NJ 08362-1500

Please read the following instructions before completing the Admission Application.

If you are seeking a degree or certificate from RCSJ, you must complete the following steps:

- Complete this application and return it to the Admissions Office.
- Indicate your Degree Program in item #22 from the Degree Program listed inside this packet.
- All students are required to submit their high school records. Contact your high school and request that a copy of your official transcript be sent to the Enrollment Services Office. High school graduates must have their final official transcript with posted graduation date submitted.
- GED (high school equivalency diploma) holders must submit a copy of the GED Certification to the Enrollment Services Office.
- Financial Aid questions, call 856-691-8600, ext. 1336 or visit www.rcsj.edu.
- Take the Accuplacer/College Placement Test, which is given at the college. These test results are used for course placement and not for determining admission to the college. Transfer students may not be required to take this test, depending on transfer evaluation results. Call 856-691-8600, ext. 1336 or sign-up online at www.rcsj.edu.
- Transfer students from other colleges who seek advanced standing toward their degree at RCSJ-Cumberland must submit official transcripts to the Enrollment Services Office for transfer evaluation.
- Full-time students are required to have hospital insurance. Full-time students must provide proof of insurance or purchase insurance at the time of class registration.
- Degree seeking students are required to be immunized against Measles, Mumps, Rubella and Hepatitis B. Submission of a certificate of immunization from a physician is required (see enclosed).

If you are not seeking a degree from RCSJ-Cumberland, note the following:

- Non-degree applicants are students who are planning to take only a few courses at RCSJ-Cumberland and are not going to pursue a degree at present. This would include students taking courses for personal interest, improving job skills, students attending other colleges who wish to take courses at RCSJ-Cumberland for transfer to that college, etc. For item #22, please indicate your major as “non-degree seeking.”
- Complete this application and return it to the Enrollment Services Office.
- Non-degree applicants who wish to take a math, science or English course for the first time are required to take the Accuplacer/College Placement Test or show transcripts of college credits received in these subjects.
- In order to enhance academic advisement, it is suggested that non-degree students take the Accuplacer/College Placement Test or submit transcripts of previous colleges attended. It is suggested that non-degree students who have accumulated college credits meet with an admissions counselor to consider degree options.
- Non-degree students are NOT eligible to receive financial aid.
- Non-degree students are NOT assigned an academic advisor, but may seek assistance from appropriate college staff.

Student applications and information are maintained for two years. If enrollment does not occur within two years, a new application must be submitted. Corrections and updates to recently submitted applications may be done at the One Stop Enrollment Services.

Cumberland Campus Academic Programs
